

Transition Update

by the River Terrace Church Council

During the past two weeks the Transition Team has been busy. They have met with various groups within the church, specifically the staff, team of worship leaders, and pastoral care board. At each of these meetings participants were encouraged to talk about the concerns and anxieties they had about the process we are undertaking. These concerns and anxieties often reflect the values that we hold dear – the values that make River Terrace Church the body that we have come to know as home. The Transition Team, along with the Council, are keeping track of these values as they emerge, and will continue to meet with individuals and groups to discern what these values are.

Additionally, the members of the Transition Team have been making contacts and inquiries to potential candidates for either short term preaching assignments for the summer or for a longer term interim pastor position. Several meaningful conversations have taken place, and these will be discussed in the upcoming meetings with the elders and council. The worship schedule for the summer is beginning to take shape.

We continue to appreciate your prayers as we move forward together in this process.

Trust in the LORD with all your heart; do not depend on your own understanding. Seek his will in all you do, and he will show you which path to take (Proverbs 3:5-6 NLT).
